Nothing to report.

EMPLOYEE DEVELOPMENT

A representative from OS/Security Education Staff presented a security reindoctrination briefing to ISG personnel at its regular monthly staff meeting on 12 September.

✓ ISTAC has established a series of mini-courses for training of ISG personnel on Wang information systems. The mini-courses, being given by Simpac, a contractor providing technical assistance to ISG, will include updates on new Wang information systems and communication processors. The first course detailed the new Turbo board for enhancement of the Wang Alliance system and the next will cover the TERP II-A.
